1 . use wws2, clear
  (Working Women Survey w/fixes)

2 . summarize age wage hours

      Variable │        Obs        Mean    Std. dev.        Min        Max
    ──────────┼──────────────────────────────────────────────────────────
           age │      2,246    36.22707    5.337859         21         48
          wage │      2,244    7.796781     5.82459          0   40.74659
         hours │      2,242    37.21811    10.50914          1         80

3 . tabulate married

      married │       Freq.     Percent        Cum.
    ──────────┼───────────────────────────────────
            0 │         804       35.80       35.80
            1 │       1,442       64.20      100.00
    ──────────┼───────────────────────────────────
        Total │       2,246      100.00

4 . log close
